# About Gorilla Technology

## Empowering Your Tomorrow

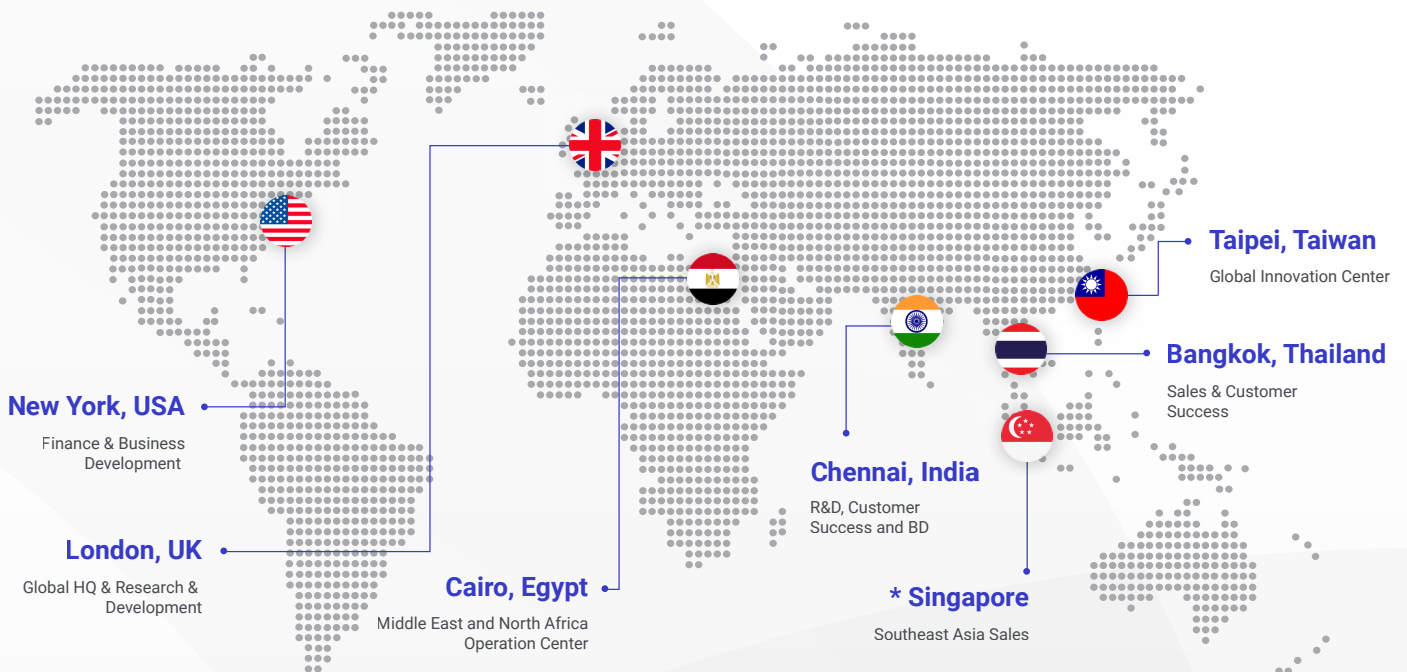

Gorilla, headquartered in London U.K., is a global solution provider in Security Intelligence, Network Intelligence, Business Intelligence and IoT technology. Gorilla provides a wide range of solutions, including, Smart City, Network, Video, Cybersecurity and IoT across select verticals of Government & Public Services, Manufacturing, Telecom, Retail, Transportation & Logistics, Healthcare and Education.

The Company's vision is to empower a connected tomorrow through innovative and transformative technologies. Gorilla envisions a world where seamless connectivity transcends boundaries, enriching lives, industries, and societies.

Gorilla's commitment is to lead the way in pioneering cutting-edge solutions that bridge gaps, foster collaboration and inspire progress. By relentlessly pushing the boundaries of technology, the Company aims to create an ecosystem where individuals, businesses and communities thrive in an era of digital empowerment.

Through continuous innovation, ethical practices and a steadfast dedication to quality, Gorilla strives to shape a future where every interaction, transaction, and experience is enhanced by the power of technology.
